<i>Janet Watters</i>	19
<i>Imogene Reed</i>	23
<i>Marian Dore</i>	26

May is American Stroke Month

Coronary heart disease accounts for the highest percentage of deaths among people in the U.S. Therefore, it is important that you understand the risk factors and how to respond quickly.

1. Smoking 2. High blood pressure 3. Diabetes 4. High cholesterol

All of these are signs that need to be watched closely!

Cinco De Mayo, Spanish for "the 5th of May", celebrates the mighty defeat of the French army by the Mexican army at Puebla de los Angeles, May 5, 1862. This holiday gains great popularity in the U.S. It not only marks the momentous victory of the Mexican Army, but also celebrates Hispanic/Latino culture and tradition.

May...Showers.. Flowers...Mot hers

As I go back down
memory lane
May flowers come to
mind.
My mother holds my
hand once more,
sharing, caring....
Sweet days of yore.

Birds are singing
their praises anew,
daffodils, may
apples, and lemon
lilies, too.
Showers bring
moisture, so things
will grow.
Mother and I, down
memory lane go.
